March 2018

VOLUME 48, NUMBER 3

Our meeting place is the Denver United Church located at 660 S. Broadway Denver Co. Meeting is held the Second Wednesday of every month at 7:30 p.m. No meeting in January. Should you like to go to Board meeting contact President for location. Remember when sending mass e-mails do them BCC to protect e-mail addresses.

PRESIDENT'S MESSAGE

Our January 20th Installation Dinner at Applewood Country Club with entertainment by solo country/rock n' roll singer Michael Shaug was all arranged by out-going VP Gene Pastor. The Lifetime membership club now includes Gene Pastor and Eddie Rockwell. After 20 years of amassing 250 club points (usually many more!), they are entitled to a "free pass" on membership dues! Congratulations guys! The 2018 Officer's were installed and we're off and runnin'.

February 7th the Collector Car Council met at Gateway Classic Cars Show Room and held their annual new presidents gathering. Haggerty Insurance of Golden supplied food and drinks for all before the meeting. About 30 car clubs Rep's and 3 their Presidents were in attendance. Jim Nielsen, our long-time rep introduced me. It was an informative night with a lot of 3 familiar faces and friends present.

Our February meeting was very well attended and our first club Tour to the David Fitzgerald Collection even more so. Many members and their cars present is quite encouraging for the New Year. Thanks Steve and Deanie Kennedy for setting up the interesting tour and seeing your '36 Coupe at its first event! Another first time car present, was Forrest Cline's '34 Victoria.

Steve Kennedy whose club event Calendar is enclosed this month has a few months needing filled, so contact him on tours and 3 Michael Jacobs on Seminars, if you come up with an event we can enjoy. We have a real good start to the year. Thank you both!

See you at the March 3rd Seminar at Berts Model A. Until then...keep driving those collector cars!

Tom

Remembering EDWIN EUGENE "ED" HURT 1939 - 2018

The Hi-Country V8 Club lost a very valuable contributor to our group on Wednesday, February 7th. Ed joined the club August 2005 and immediately jumped in to assist in many of our activities. Elected to the Board months after joining 2006 - 2008 he became Tour Chairman in 07 - 08 and co-chaired All Ford Day those 2 years. At our Christmas Party in 2007 he received the Bert Marsh Distinguished Service Award, and then served on the selection committee for future awards. He served as our garage seminar chairman for 5 consecutive years (2012 - 16)! He owned many beautiful cars and loved to drive them! He was also a member of the Buick Club, Chevy Classics Club and the Denver Timing Association. He attended many National Early Ford V8 meets and won several Dearborn awards. He was a real "car-guy" and will be missed by all who knew him!

Edwin "Ed" Hurt, 78, of Golden, Colorado passed away February 7, 2018 after a brave battle with ALS in the comfort of his home, surrounded by his loving family.

He was born June 14, 1939 in Pagosa Springs. His mother and father were long time ranchers in the Durango, Colorado area. He was a graduate of Durango High School in 1957. Was an Army National Guard Veteran during the Viet Nam Era and was discharged a Sergeant.

He is survived by his wife of 32 years, Judith, a son and daughter; six grandchildren, 3 great grandchildren and many friends. Rest in Peace Ed!

Change in Annual Membership Dues

The Board of Directors has changed annual membership dues for *JOINT* membership to \$33.00/year effective 2/15/2018. No additional fees are due for 2018.

This change will also provide a name badge for one other person in the household and include voting rights etc. as stated in the Hi-Country By-Laws. If your partner is only interested in social activities then annual membership remains at \$30.00 per year. This is consistent with National joint membership dues.

Additionally there will no longer be a late fee for membership dues. Your listing in the Hi-Country Roster will be deleted if not paid by 2/1/2019.

Wanted: 1940-1935 Ford project/basket case. I'm looking for project /basket case that is within my capabilities Gary Lietz 303-665-5531 gslietz@q.com

Wanted I would really like to find a good (fairly easily restorable) *original* pair of '34 Ford bumpers. Original bumpers will have a letter (usually a 'C') stamped in the back side of the bumper, somewhere in the vicinity of the inner pair of mounting holes. Repro bumpers do not have the letter. All '34 bumpers will work, but '33 will not.

COLORADO COLLECTOR CAR NEWS

Greg Akiyama spoke at the recent CCCC meeting and requested car club presidents to inform their members of his monthly newsletter. He spoke at our club meeting when I was last president (2011). He does club and car stories monthly and has written stories of our car events and members cars. I enjoy getting it emailed to me. Your emails are confidential and are only used for you to receive his Colorado Collector Car News. It is free to you. Advertisers, who you will recognize, pay for this service. Of course the more subscribers the better the deal for him and his sponsors. Many of us get this now - how about you? Just email Greg and tell him you are with Early Ford V8 Club.

11) Which company was the first to introduce a bargain-priced car with an automatic transmission?

Ford or Chevy?

Answer: - In 1950, Chevy introduced its Powerglide transmission, the first automatic transmission found in an affordable consumer vehicle. Ford followed suit a year later.

12) Which brand is part of one of the biggest family-owned businesses in the world?

Ford or Chevy?

Answer: - Chevy is part of GM, which is definitely not family-owned. Ford, however, has been going strong for more than a century and is still mostly family-controlled.

13) Which company manufactures the ever-popular Corvette sports car?

Ford or Chevy?

Answer: - The Chevrolet Corvette was first manufactured back in 1953. The Corvette always has cutting edge looks and often features a very powerful engine for an exciting driving experience.

14) Which company has made the best-selling truck for more than 40 consecutive years?

Ford or Chevy?

Answer: - The Ford F-series is the definition of consistency. For more than 40 straight years, the pickup has been the No. 1 truck on the market. In the beginning, they were farm vehicles; now the trucks are used for everything from ranching to grocery getting.

15) Which company has a model with the longest-running nameplate (model) in history?

Ford or Chevy?

Answer: - Is it the Mustang? Nope. The Camaro? No way. If you can believe it, it's the Chevy Suburban, which has been manufactured since 1935. Since its inception, the vehicle was meant to carry numerous passengers and a lot of cargo, too.

16) Which company received tremendous accolades for its 1955 model?

Ford or Chevy?

Answer: - The 1955 Chevrolet (or '55 Chevy) is one of the most famous cars in world history. It featured a brand-new body style, and it was Chevy's first successful (optional) V-8 engine.

17) Was it Ford or Chevy that was co-founded by a race car driver?

Ford or Chevy?

Answer: - Louis Chevrolet was one of Chevy's co-founders. He was born in Switzerland, moved to France and then brought his car driving and engineering experience to the United States.

Thanks for the V8 Times Magazines

I want to thank everyone who responded to me concerning my request for past V8 Times magazines. I did receive a number of back issues from Len Harcourt, Gus and Jeanne Turnage, Carl O'Loughlin, and Walt Hume. I also received offers from many other club members, but I think my past collection is pretty complete now, Thank You Everyone very much. I have issues back as far as 1978. I know there are issues older than that, but I think I have enough reading material now. I did pass the duplicates on to other new club members and they were appreciative as well. Thanks, Steve Kennedy, '36 5 Window Coupe.

1) Which company introduced the Mustang car?

Ford or Chevy?

Answer: - Ford Way back in 1965, Ford introduced its iconic Mustang, a muscular sports car. These famous two-door cars typically feature powerful engines that appeal to lead-footed drivers.

2) Which company produces the Silverado pickup truck?

Ford or Chevy?

Answer: - Chevy launched the Silverado pickup in 1999. The Silverado is designed as a heavy-duty pickup, and if your friends see you driving one, they will definitely ask you to help them move.

3) Which company uses a "bow tie" as its emblem?

Ford or Chevy?

Answer: - Chevy, of course, uses an emblem that's reminiscent of a bow tie. It's been around since 1914. Ford, on the other hand, has always stuck with its memorable oval.

4) Which company created the world's first moving assembly line, which eventually revolutionized manufacturing around the world?

Ford or Chevy?

Answer: - Company founder Henry Ford is famous for his cars, of course. But it was his high-speed assembly line production that really put his products on the map. Those high-efficiency processes quite literally altered the course of manufacturing, too.

5) Which company was the first to sell its vehicles?

Ford or Chevy?

Answer: - Ford wasn't the first very vehicle manufacturer in history. But it was close. The first Ford car was sold in 1903, roughly eight years before Chevy got rolling.

6) Was it Chevy or Ford that introduced the F-Series pickup?

Ford or Chevy?

Answer: - The Ford F-150 has been one of the best-selling pickups for decades. The F-Series was first created in 1948, and it's now in its 13th generation.

7) Was it Ford or Chevy? that sold the Model A car?

Ford or Chevy?

Answer: - Ford followed up its massively successful Model T with the Model A. It was first made in 1927 and it's since become a prized collector's item.

8) Which company is a division of General Motors?

Ford or Chevy?

Answer: - From the very beginning, Chevy was connected to General Motors, one of the biggest automotive conglomerates in the world. Ford has never been a part of GM.

9) Was it Ford or Chevy? that built the amazingly successful Impala car?

Ford or Chevy?

Answer: - In 1958, Chevy unveiled its Impala model, a full-sized car that was available as a hardtop or convertible. It became a smash hit that was built until 1985, when it was discontinued. Since then, Chevy has revived the name twice.

10) Which company revolutionized employee standards of living by advertising a wage of at least \$5 per day?

Ford or Chevy?

Answer: - Henry Ford didn't just revolutionize manufacturing, he changed the relationship between companies and employees, too. He touted a \$5 minimum daily wage, as well as shorter work weeks, which dramatically improved the quality of life for employees.
